

Motown and Soul

Orange coloured sky

Getting to be a habit

Everything must change

Night and day

Too darn hot

Mr Bojangles

Let's face the music

It don't mean a thing

I get a kick

I've got you under my skin

Cry me a river

Ain't no sunshine

Lovely day

Fascinating rhythm

Teach me tonight

Beginning to see the light

Falling in love again

God bless the child

Moondance

Nature boy

Let there be love

Lady is a tramp

Rhythm of life

Hey there

New York, New York

Papermoon

Straighten up and fly

Sunny

What kind of fool

Candyman

Birth of the blues

Girl from Ipanema

Don't let the sun

Smile

Route 66

Recipe for making love

Angel eyes

Blues in the night

One note samba

Lot of livin to do

Walkin my baby back home

Gotta be me
