

## **Swing and Jazz**

Heard it through the grapevine

Get ready

Tears of a clown

Let's stay together

How sweet it is

Witness

Easy

Ain't too proud to beg

My girl

Ain't no stopping us now

Love train

Stand by me

All night long

Ain't no woman

Lovely day

If you don't know me by now

Just my imagination

Dancing on the ceiling

Cupid

Save the last dance for me

Higher and higher

Betcha by golly wow

Stuck on you

My Cherie amour

Three times a lady

Signed, sealed, delivered

Lean on me

Come on over to my place

Cupid

Hold back the night

Never too much

I found lovin

Money

Reach Out I'll be there

Sweetest feeling

I feel good

Dock of the bay

Kissin in the backrow

Saturday night at the movies

It takes two

Sir Duke

Twistin the night away
